

DECLARATION

1. My name is Fabio Nieto. I am employed at National Exchange Carrier Association (NECA). My current job title is Associate Manager- Account Management. My basic job responsibilities are processing FCC Form 499 worksheets as the Form 499 Data Collection Agent. I have been employed at NECA in the capacity described above since January 2002.

2. On June 20, 2003, I was asked to search for all FCC Form 499s (Telecommunications Reporting Worksheet) filed by Business Options, Inc.; Buzz Telecom, Corporation; U.S. Bell; and/or Link Technologies since January 1, 2000. The Data Collection Agent (DCA) searched the database for the four companies. Only Buzz Telecom Corporation (822538), 8380 Louisiana Street Merrillville, IN 46410, filed a form and then only for the annual filing due April 1, 2002. The form is attached hereto. It reflects that Buzz Telecom, Corporation had no revenues for the reporting period.

I declare under penalty of perjury that the foregoing is true and correct. Executed on June 30, 2003.

A handwritten signature in black ink, appearing to read 'Fabio Nieto', is written over a horizontal line.

**BEFORE THE
FEDERAL COMMUNICATIONS COMMISSION
Washington, D.C. 20554**

RECEIVED & INSPECTED

DEC 27 2002

FCC - MAILROOM

In the Matter of
Section 63.71 Application of

BUSINESS OPTIONS, INC.

For Authority Pursuant to
Section 214 of the Communications
Act of 1934, as Amended, to
Discontinue the Provision of
Resold Long Distance Interexchange Service to
Customers in the State of Vermont

SECTION 63.71 APPLICATION

Business Options, Inc. ("Business Options, the "Company", or the "Applicant"), hereby seeks authorization pursuant to section 214 (a) of the communications Act of 1934, as amended (the Act), 47 U.S.C. § 214, and section 63.71 of the Commission's Rules, 47 C.F.R. § 63.71, to discontinue its provision of resold long distance interexchange service in the state of Vermont.

I. IDENTIFICATION OF THE APPLICANT

1. Business Options is a long distance interexchange carrier focused on high quality service to residents and small businesses. Business Options has customers in forty-six (46) states, offering telecommunication services. The Applicant's principal place of business is: 8380 Louisiana Street, Merrillville, Indiana 46410.

2. **Business Options** was granted authority to provide long distance interexchange services in Vermont on March 18, 1996. Since receiving its long distance interexchange authorization from the regulatory agencies in that state, the Applicant has served predominantly residents. Currently, Business Options provides resold long distance service to approximately 200 customers in Vermont. All long distance interexchange offerings are provided out of the Applicant's Tariff. With respect to the services to be discontinued, Business Options is considered a non-dominant carrier.

3. Business Options intends to withdraw all long distance interexchange services throughout the state of Vermont.

II. DESIGNATED CONTACTS

4. All correspondence, notices and inquiries regarding this Application should be addressed to:

III. REASON FOR REQUEST TO DISCONTINUE LONG DISTANCE SERVICE

6. Business Options, Inc. requests authority to withdraw from the long distance resale in the state of Vermont. Business Options has reevaluated its long distance business plan and has concluded that it is in the Company's best interest, at this time, to streamline its service offerings in Vermont.

The Applicant's request to withdraw its long distance services from Vermont is a strategic business decision that is based upon the Company's plans for future growth.

IV. PROCESS FOR DISCONTINUANCE

A. Customer Notification

7. Business Options is in a strong financial position to ensure that its current customers are seamlessly transitioned to another long distance provider, and the Company commits to assisting the transition of its long distance customers to another provider of their choice.

8. Business Options has developed a comprehensive customer notification plan that will ensure a seamless transition for its current long distance customers. The initial customer notice letter has been sent to customers and is attached as Exhibit A. as we did not know of the FCC requirements to send the letter out pursuant to 63.71. We are requesting a waiver not to reissue the notification letter. Please consider that Business Options is not a dominate carrier, our letter has all the information requested by the state of Vermont, and another letter would only create customer confusion and delay , and our ability to restructure.. The customer notification has informed customers of the proposed withdraw by Applicant. Business Options does not intend to sell its customer list to any long distance provider, but will allow the customer to select a new service provider of their own preference. Business Options also has provided customers with its toll-free customer assistance number for purposes of addressing any questions or concerns that may arise during the withdraw transition period.

9. **Business Options has given its customers 15 days from the day they received our notification letter to choose another long distance provider and protest our request for discontinuance Business Options has every intention of assisting current customers in any way we can, to avoid any inconveniences that may occur through this transition.**

V. TIMEFRAME

10. **Business Options intends to discontinue providing long distance service to customers in Vermont as soon as it has satisfied the requisite regulatory procedures established by the regulatory agency in that state. Based on the state discontinuance requirements, Business Options estimates that long distance service will be discontinued on December 21, 2002. As noted herein, Business Options will provide the customer with enough time and information for them to choose another carrier of their own choice. Over half of our customers have already called to cancel our services, based on their own judgements, prior to receiving our notification letter on December 10, 2002. Business Options is requesting a waiver to complete our discontinuance without having to renotify customers according to FCC regulations. As stated herein, Business Options has sent a notification letter to all Vermont customers on December 10, 2002.**

VI. CONCLUSION

On December 20, 2002, the Applicant submitted a copy of this application to the Secretary of Defense and the Public Utility Commission and Governor of the State in which the discontinuance is proposed.

11. WHEREFORE, Business Options, Inc. respectfully requests that the Commission grant it the authority to discontinue the provision of resold long distance interexchange services to customers in the state of Vermont. In consideration of this request, Business Options submits that the public convenience and necessity will not be adversely affected by the discontinuance of long distance in the aforementioned state. Indeed, Vermont customers may optionally choose from numerous other carriers offering long distance services at competitive rates, and under reasonable terms and conditions.

Respectfully submitted,

Business Options, Inc.
